# Welcome

Welcome to the lab book for the Applied Ecology Lab in the School of Aquatic and Fishery Sciences at the University of Washington. This book lays out the policies and procedures that we follow.

# Chapter 1

## Introduction

You can label chapter and section titles using `{#label}` after them, e.g., we can reference Chapter 1. If you do not manually label them, there will be automatic labels anyway, e.g., Chapter 3.

## Chapter 2

# Literature

Here is a review of existing methods.

## Chapter 3

# Methods

We describe our methods in this chapter.

## Chapter 4

# Applications

Some *significant* applications are demonstrated in this chapter.

### 4.1 Example one

### 4.2 Example two

## Chapter 5

# Final Words

We have finished a nice book.
